Get Organized And Be Looking Ahead!

- Ensure that your notebooks and locker are organized. This is a good habit to continue throughout your school years.
- Be comfortable talking with your teachers and counselor if you are having difficulties of any kind.
- Your counselor will provide you with a study guide for the PSAT. Be sure to have your parents look it over with you.
 - When you turn 13, you can register for a CollegeBoard account.
 - Be thinking about what you want to do after high school.
